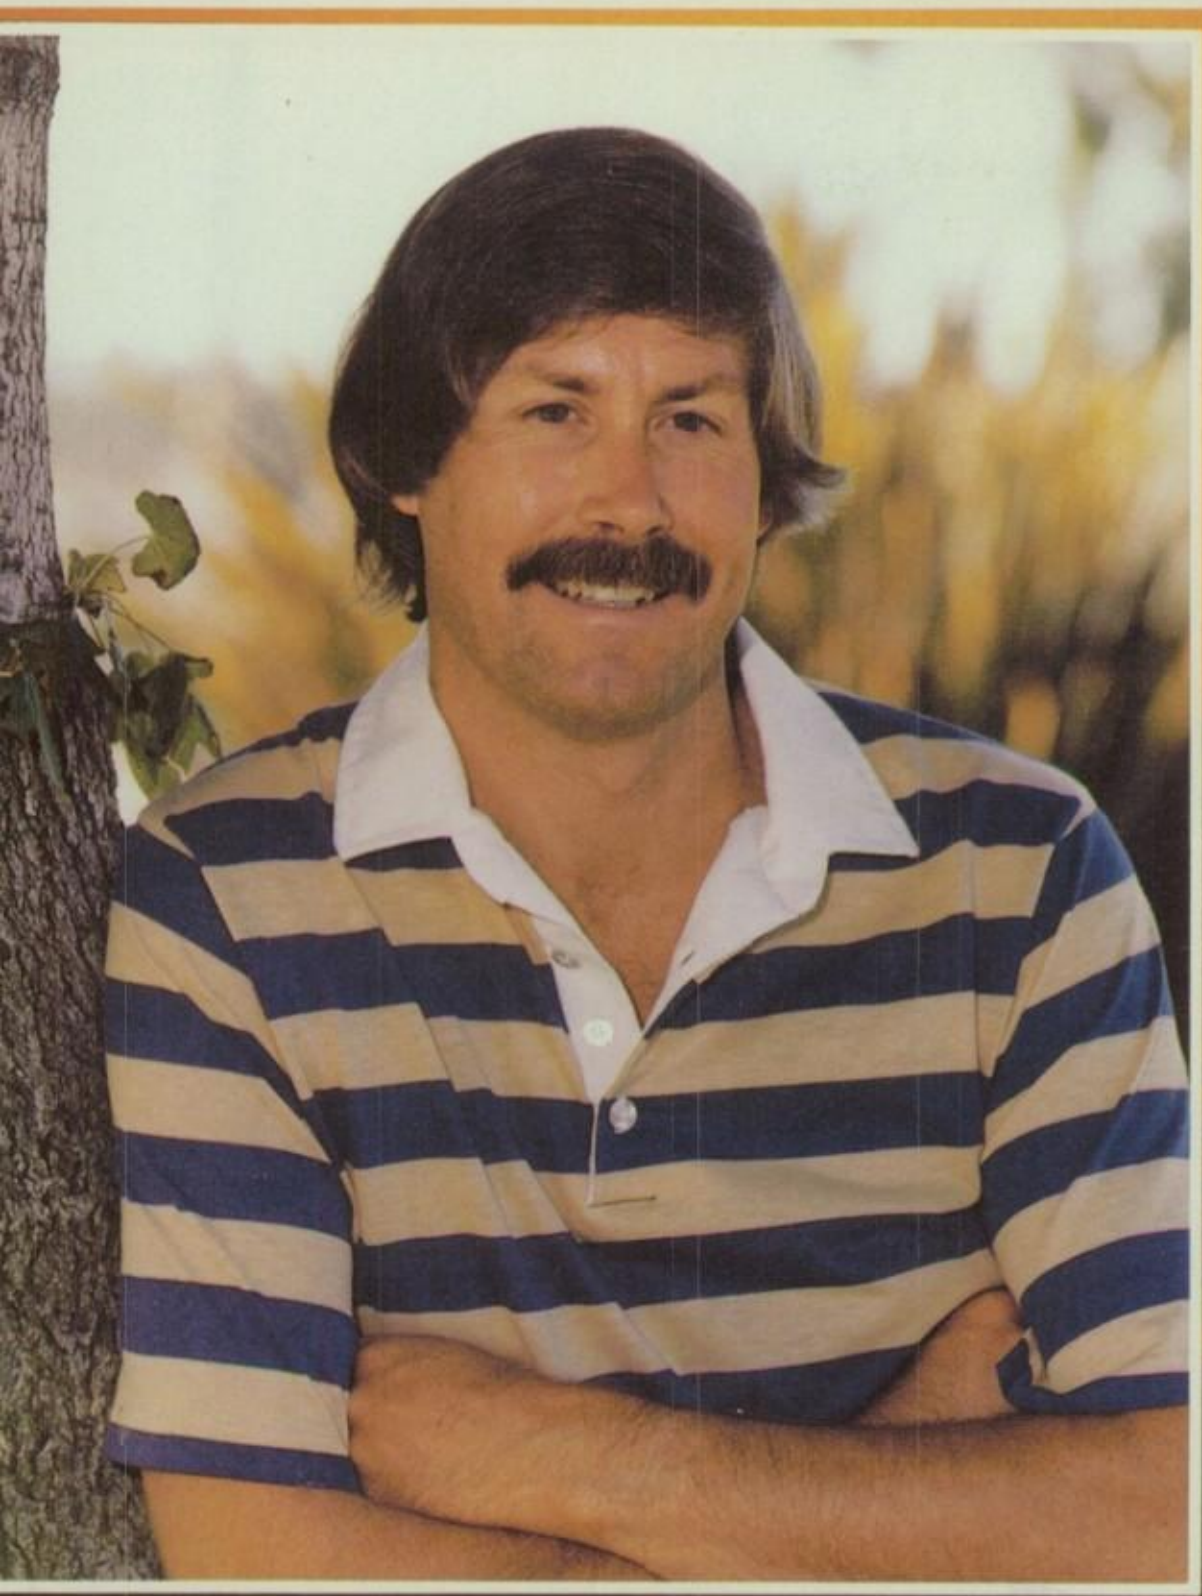
DEDICATED . . .

PATRICK W. LEVENS

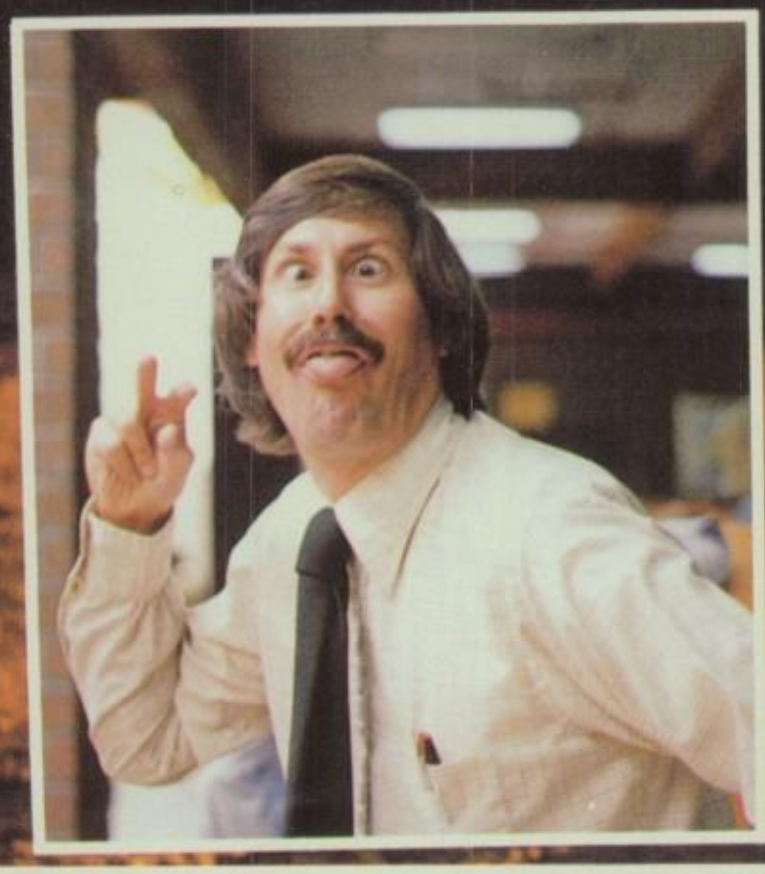
Within the realm of the impersonal, we are able to develop a closeness within small circles. Can it be that the massiveness allows for a degree of minuteness? We find a personal touch as we extend a portion of ourselves to others.

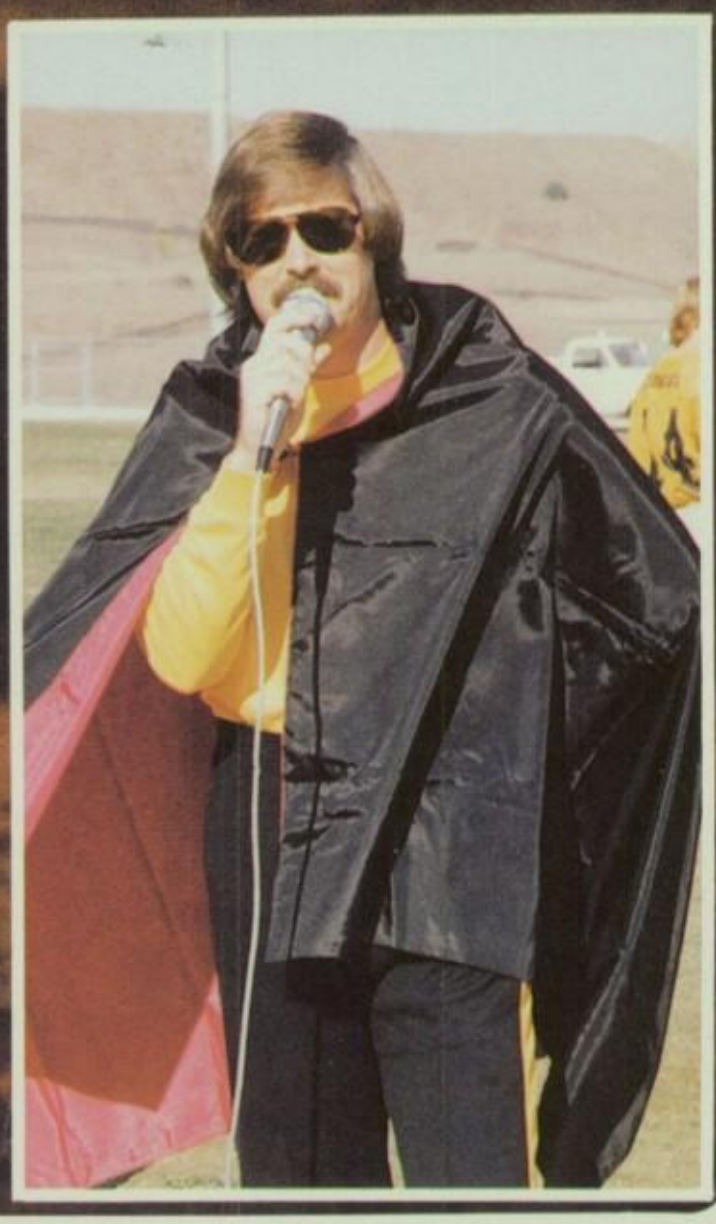


To PATRICK W. LEVENS, in honor of the tremendous amount of work you do, not for yourself, but rather for the school, we dedicate the 1982 El Gato yearbook to you.

Just to give credit where credit is due, let us highlight some of your impressive achievements. First, there is the fine job you are doing as leader of the Environmental Skills Cluster. This is not to say that you are removed from the classroom. The unselfish time spent with the school leaders and Advanced Placement classes does not go unnoticed or unappreciated.

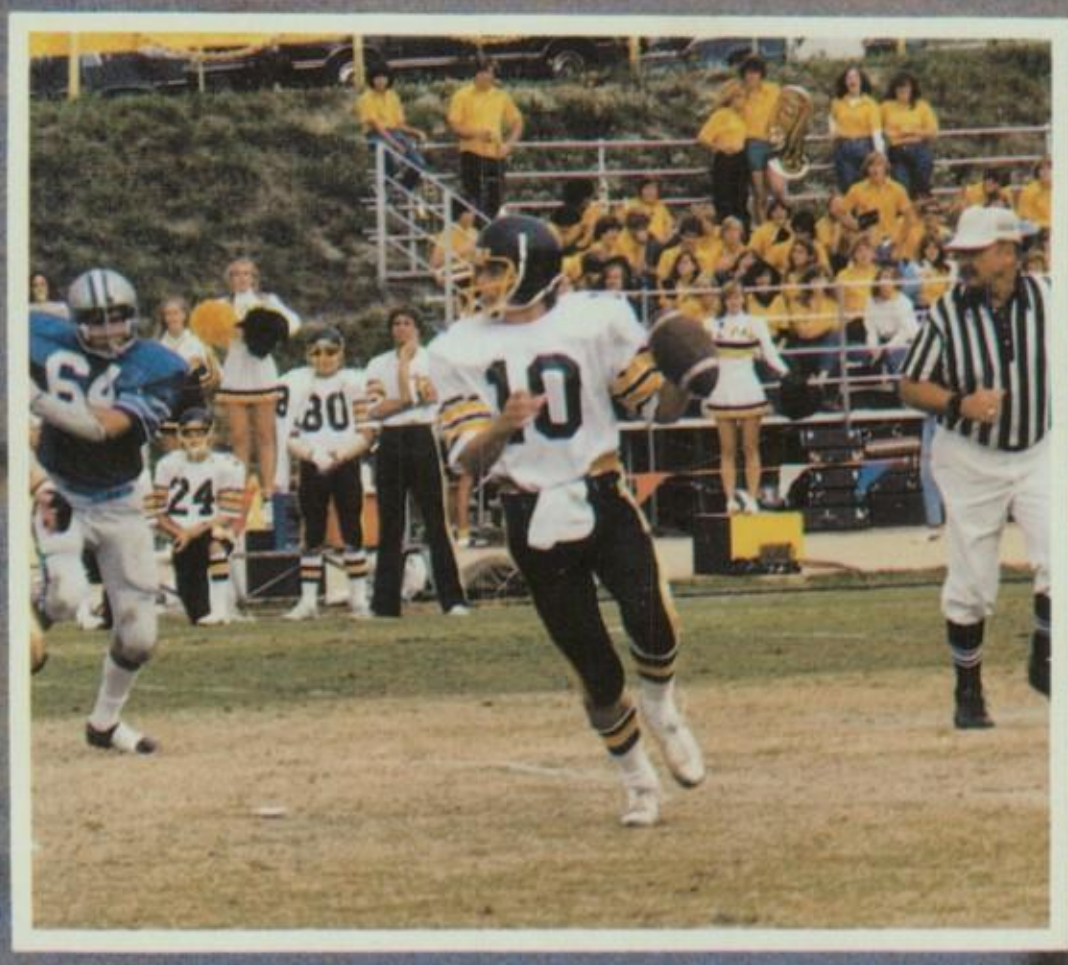
Thank you Mr. Levens for being a friend and helper to all of us. The yearbook staff extends its deep gratitude and appreciation for your own dedication to Capistrano Valley High School.





INDIVIDUAL . . .

Intervals of tranquil solitude—when the imagination recreates itself. Moments to myself, to do what I want to do, to be alone, and to relax to the symphonics that silence brings, interrupted only by a need for more—something different.



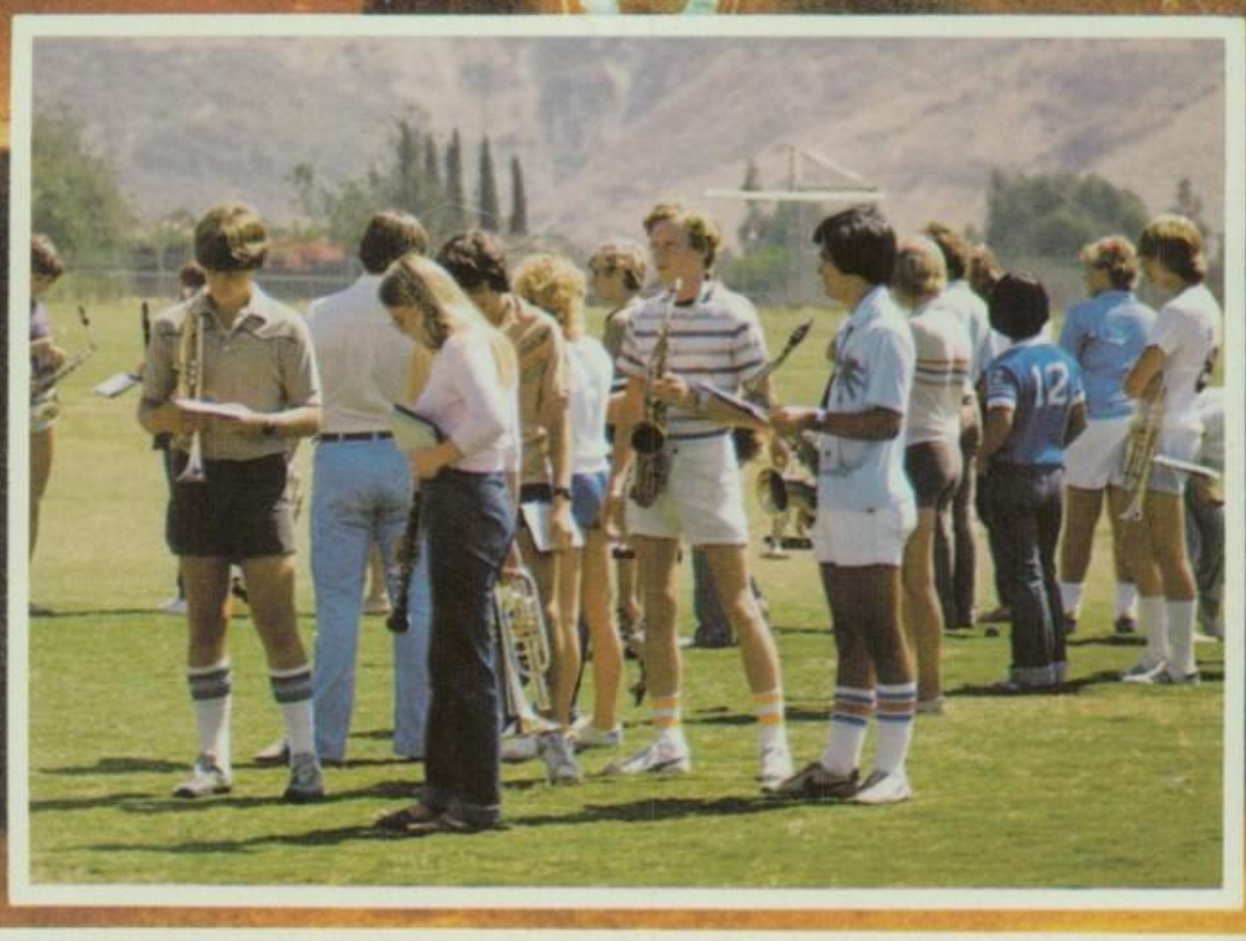
SEARS
'87

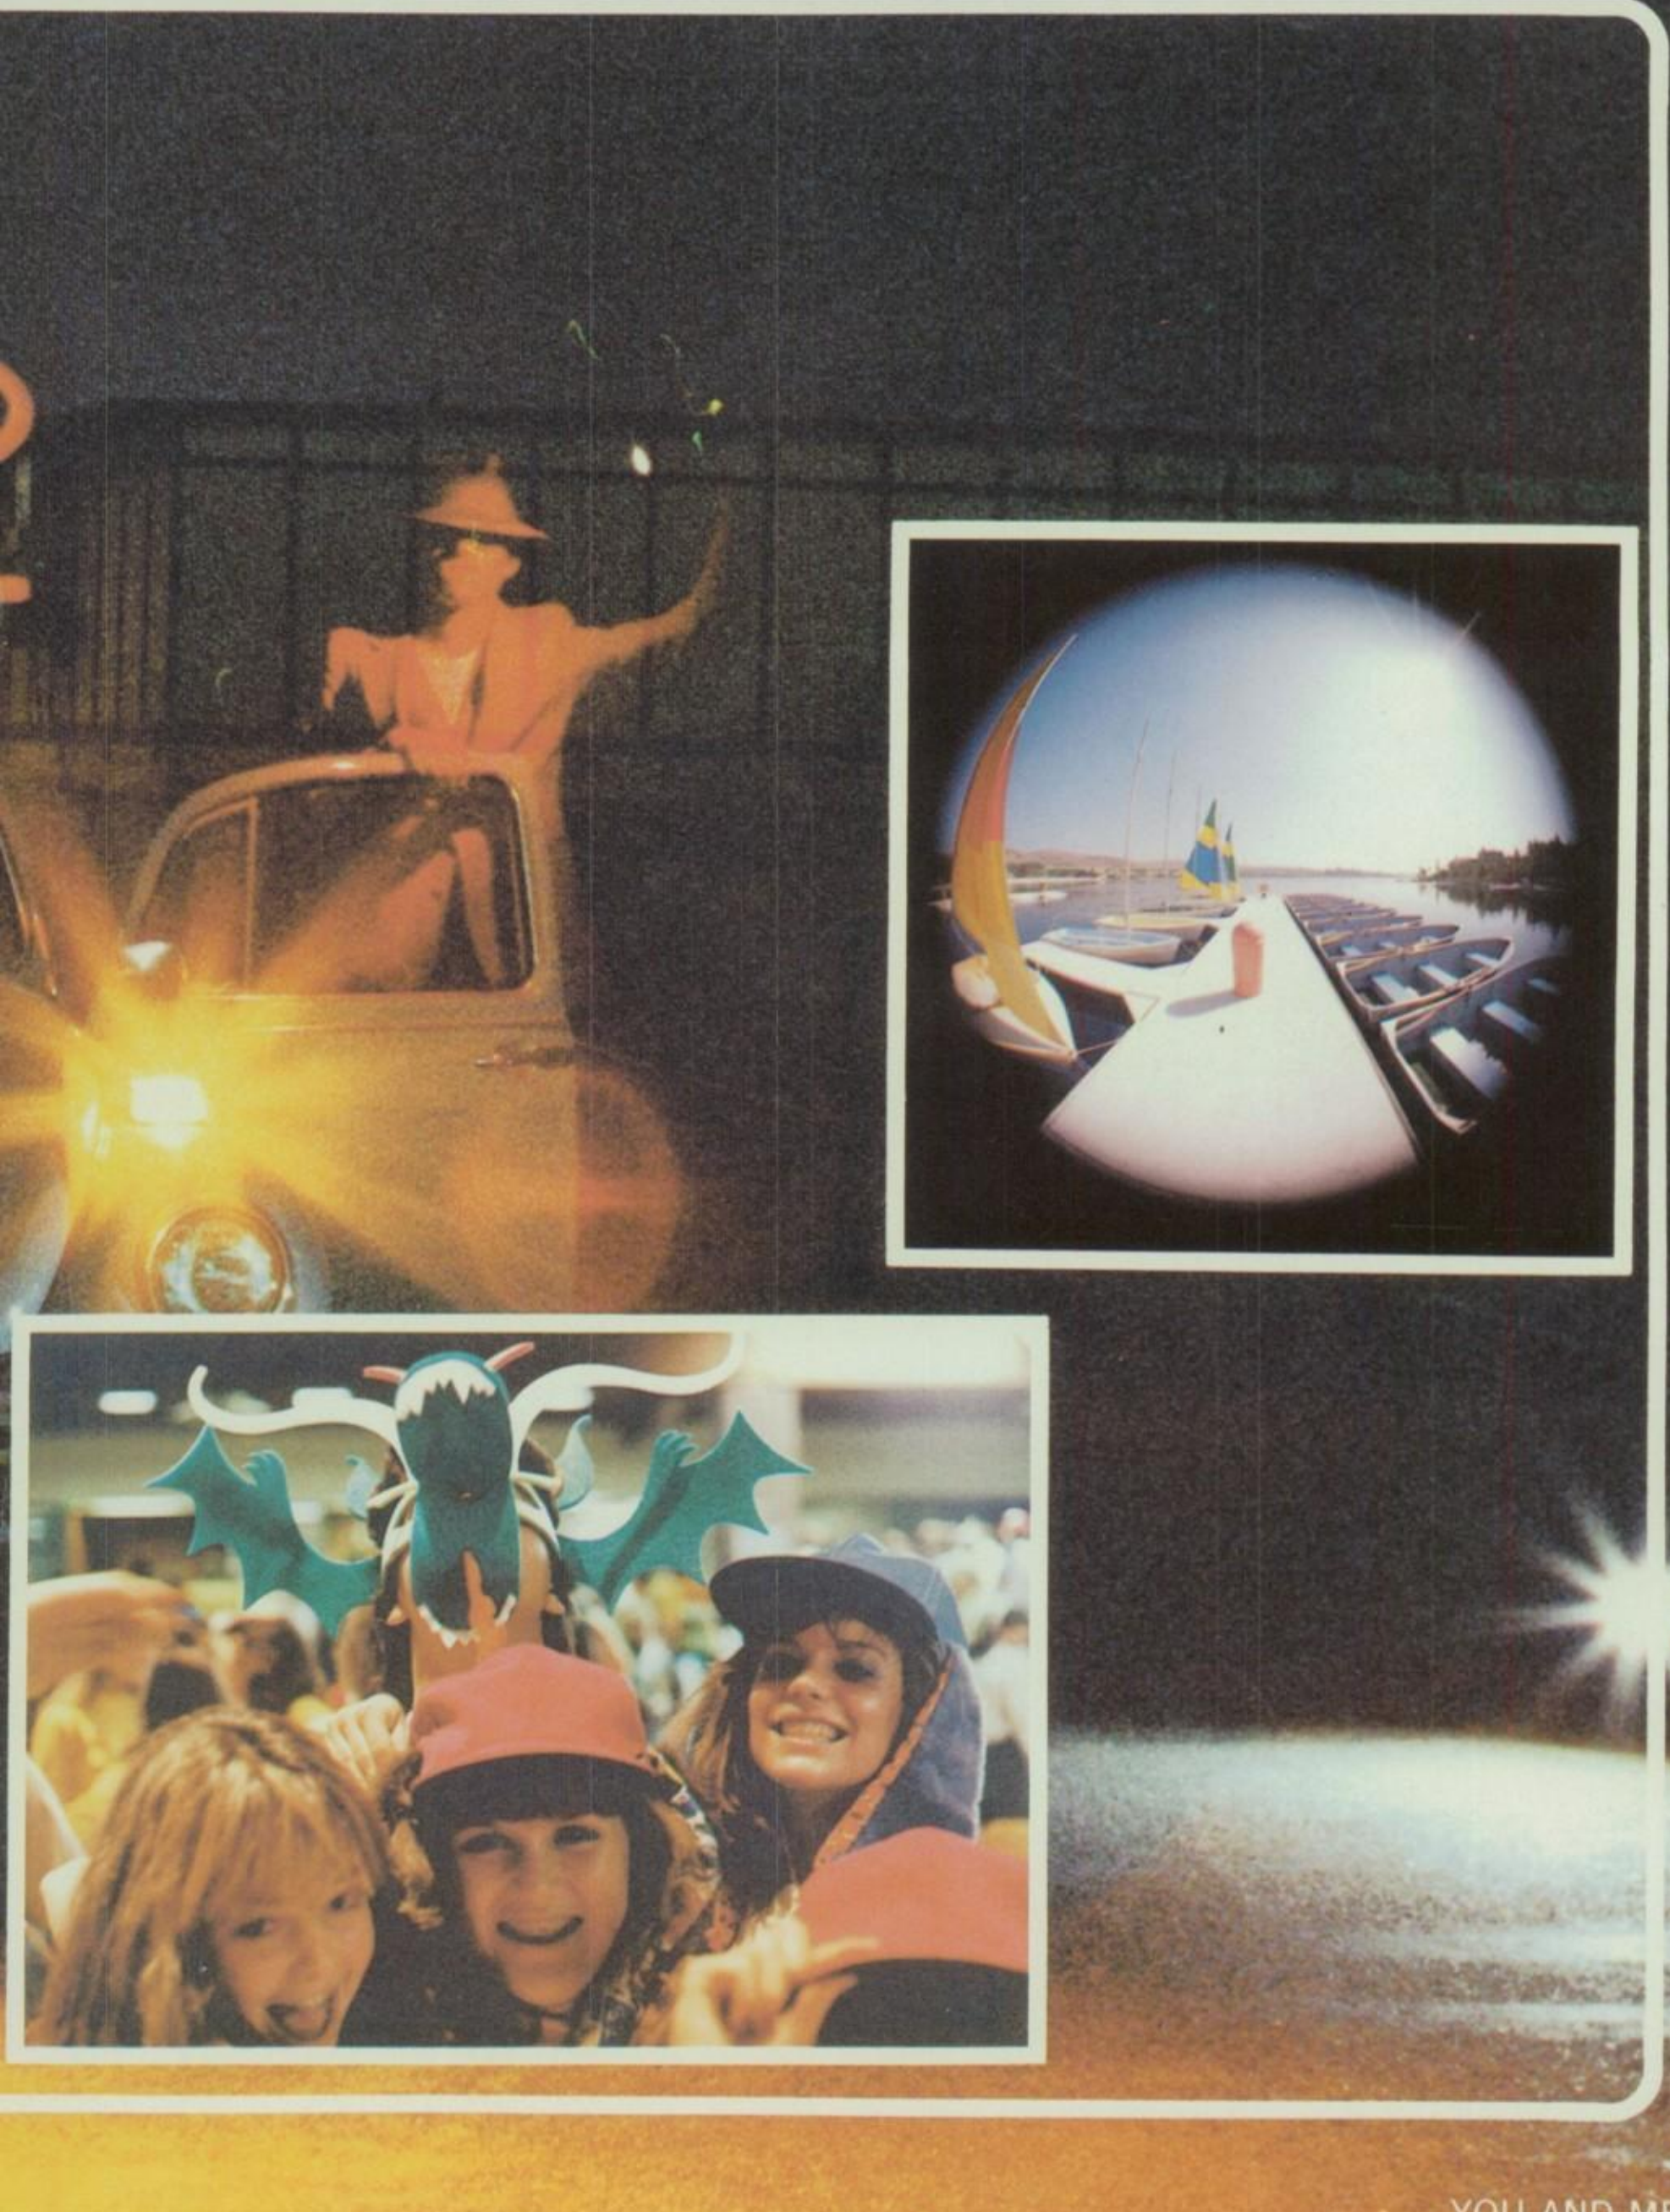
SPIRITED . . .

Formed from the involved, energy is released to brighten the world of another individual. Laughter, fun, spirit—expressing the encouraging force inside of my existence.

CREATIVE . . .

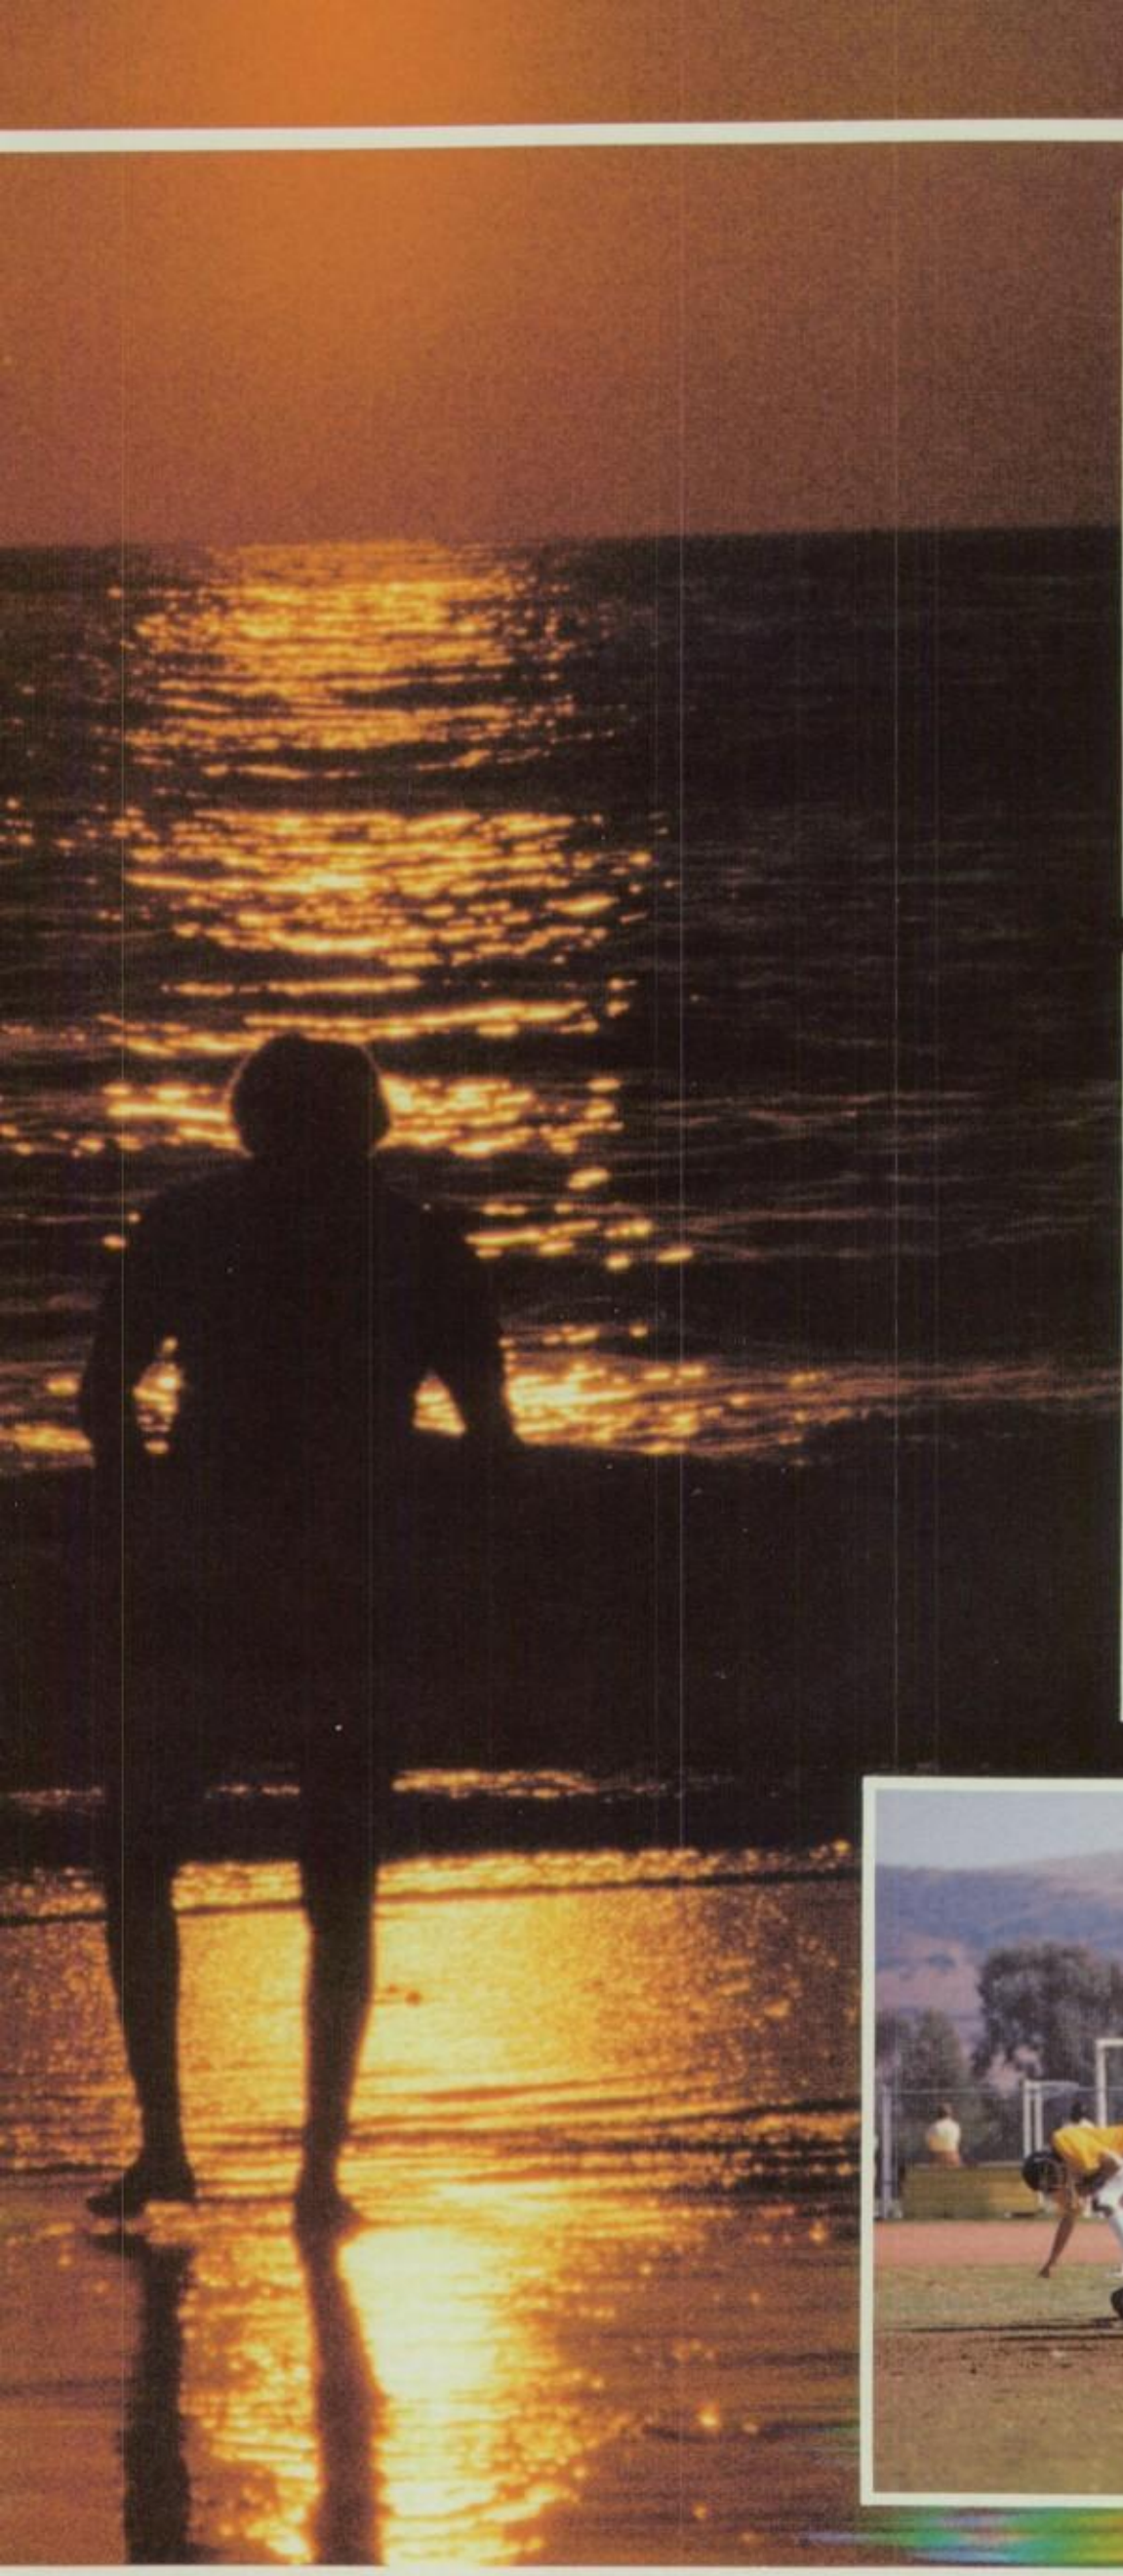
Art is unique for I see emotions expressed through spectrums of creative tools. Trying to express abstract ideas or emotions and unfolding messages from within myself, are portrayed in whatever form which is felt.





THE BEST YOU CAN BE . . .

Spurts of vitality help me accomplish as much as I can do within the limits of each day. I develop a zest for life when I can escape from its complexities. The world offers so much; I can begin to taste it all.



FREE TO BE . . .

I look forward to the coming days hoping each movement toward the future will resolve my inner conflicts and instill me with enlightenment, insight, and satisfaction.

1982 COUGAR GRADUATES

Our cycle of events
comes to a sudden halt,
and so ceases
the frantic frivolity
involved in everyday life.
Stability
poured into our foundation,
springs forth, as the maturity
so much expected,
paves the way.

While treasured are the
memories
and loathed are the broken
dreams;
comparable amounts
of each
make our reality, an existence
worth living.
Shaping that existence
into a workable future
by balancing our steps
between
inexperience and intelligence.

Yesterday
is already a dream
tomorrow
in only a vision
but today,
well lived, makes
every yesterday
a dream of happiness
and every tomorrow
a vision of hope.

1981 was considered to be a rebuilding year for the Capo Cougars after the previous year's team graduated twenty one out of twenty two starters. But a very good El Toro was stunned in the season opener. Esperanza and Corona del Mar provided stiffer competition, plus valuable experience, in handing the Cougars back to back defeats. The bloodied but unbowed Cougars gathered themselves together and rolled over Santiago and Bointa in pre-league play. The highlight of the regular season came in the League opener against heavily favored Mission Viejo Diablos. The Cougars fought to a well deserved 7-7 tie and a Co-League Championship. The rest of league play provided additional experience for the young team, and gave them momentum into the C.I.F. playoffs. The Cougars survived an overtime challenge from a tough St. Bernard's team to advance to the second round against Anaheim, which was played in the pouring rain. The Cougars won an extremely close game in unfavorable weather. The Cougar's luck ran out against Los Amigos in the semi final round of the play offs. In three overtimes the Lobos squeaked a victory over the defending C.I.F. Champs - the Capo Cougars!

Best Wishes

The Sophomore Football team was led by the passing combo of Chris McClure and Steve Skupien. On the way to a 7-3 overall record and a 4-1 league record, the Cougar offense set new records through the air, passing for 1300 yards and 11 touchdowns. The defense, anchored by Tim Wolin and Neil Wallner allowed only 43 points in 5 league games and accomplished 5 shutouts through the year.

The Freshmen Football team got off to a good start with a record of 5 wins, 3 losses, and 1 tie, placing them 2nd in the league. For most, it was a year of learning, where much was accomplished. These players, who will be our future varsity starters, have shown great spirit and promise.

Buena Tournament - 7th place
Villa Park Tournament - 1st place consolation

The 1981 Boys Varsity Waterpolo season started off with two new coaches, Bill Morrow and Mark Special. The season was more of a "building season" with only four seniors in comparison with last years eight seniors. The 1981 seniors were Kriss Dellota, Tim Kingston, Jerry Cox and Mike Theders. The Cougars played a total of 15 season games attaining 6 wins and 9 loses, and took 4th place in the league. Kriss Dellota lead all scoring with 64 points, was named Co-M.V.P. of the South Coast Waterpolo league (S.C.W.L.), and voted to 1st team S.C.W.L. Tim Kingston was 2nd in scoring with 52 points and was voted to 2nd team S.C.W.L. along with junior Tim Brillhart. Although having a 6-9 record the coaches and players were very optimistic of the season. Overall, the team had its ups and downs but started a strong foundation for the 1982 team with five returning lettermen.

The 1981 Junior Varsity Waterpolo team ended their season with a 3-5 record. Sophomore Bill Washburn lead the scoring with 11 points followed by freshmen Terence Savas (8) and Bruce Orcutt (7). The J.V. team also started with a building season because it consisted mainly of first year players. Coaches awards were given to Bill Washburn, Aaron Stone, Jim Leseth, and Ron Sprouse.

Cross Country

The Cougar Cross Country Team worked very hard at getting the program back to its winning tradition. The Varsity boys won their first dual meet in two years. They were lead by Warren Sewell, Steve Spriet and Mark Miller. Due to injuries the Varsity girls were unable to compete as a team, but got strong individual performances from Colleen Sweeney and Renee Baker. The Junior Varsity boys went undefeated and won the South Coast League as well as placing first in the Costa Mesa Invitational. With a lot of "youth" on this year's squad and a lot of hard work, Coaches Steinriede and DeBusk are looking forward to next season.

The 1982 Cougar Track Team suffered the loss of proven Varsity competitors such as Dan Westerfield, Eric Fox and Scott Innis, as they placed 3rd in last year's South Coast League finals. But first year Coach Tony Veney (UCLA) sees a more optimistic season ahead of him with the maturity of members of last year's Frosh/Soph league champions and some proven J.V. competitors. The team fielded a well rounded program this year hurting the opposition in every event. Coach Veney saw the team strengths in sprints, hurdles, and weights as being the backbone of this year's Cougar track program.

Men's Varsity Soccer

Being C.I.F. Champions was probably the greatest thrill for every Cougar Soccer player on our school team. Lettermen's jackets now proudly display this once in a lifetime patch. But as the new season approached the Cougars became the team everybody was up for, the team everybody wanted to beat to claim they had triumphed over the C.I.F. Champions. Losing half of the team to graduation they faced a possible bleak future, but contrary to new blood on the team, the result was all to the positive. The Cougars outscored their opponents and carried on with "Full Steam".

Pete Lawrence, an all league Cougar from 1979-80, headed this dynamic group of young men. The team was undefeated in league for the first league games and followed in the Varsity's footsteps. Because of this outstanding performance by the Junior Varsity Team, we expect a strong Varsity team next year.

Funded and coached strictly by donations and volunteers, the Frosh/Soph soccer team provided rewards with an 80% win record. Of course, they had to do well in order to live up to the tradition of the last two years as the Frosh/Soph League Champions. These young men gave their all and provided Cougar fans a winning season.

Women's Soccer

The Girl's Varsity Soccer team, coached by Vincas Dovydaitis, was off to a rocky start, however they pulled off a promising season. They pulled together as a team and showed strong efforts all the way. This was an amazing feat when you consider how the team was besieges with injuries and girls dropping out due to jobs. All in all the team showed great spirit and the will to win.

Suffering from the same maladies as the Varsity, the Junior Varsity team shared in the rough trail to victory. However, their coach, Wendy Wolfe, a former member of the Capo Boy's Soccer Team, held the team together and enthusiastically generated a spirit of unity and love of the sport soccer.

VARSITY BASKETBALL

This years Varsity Basketball team was a young team. Starting players were senior Dan Dargan, juniors Walt DeCasas, Don Sedgewick, and Dan Mulder, and sophomore Burt Call. The Cougars quickness and determination easily made up for the lack of exerience. They were the consolation champions in the Valencia Tournament, came in second in the Sonora Tournament and again took consolation championship in the La Quinta Tournament. League play found the Cougars challenging for a C.I.F. berth. The future of Capistrano Valley Basketball looks good!

J.V. And Frosh/Soph Basketball

This year's J.V. and Frosh/Soph teams were for the most part, successful with their seasons, if not in their record, then in spirit. This year's Freshman team finished off a great season by winning the 10th Annual Dana Hills Tournament. Coach Schmidt extended his thanks to the team for making this season so enjoyable.

According to Coach Pat Barrett, "this year's Sophomore team was probably the most talented team in the CVHS history". An example of their effort was shown by capturing both the San Clemente and Garden Grove Tournaments with all-out performances by Mike Aguilar, Tom Lewis, and MVP Mark Otta. The team also ran off 13 wins before losing its first game of the season.

The J.V. team fell upon hard times this year. Injuries, lack of height and inexperience resulted in a poor win-lose record. However, success was seen in each players improvement throughout the season. Most importantly, the team never gave up. With this spirit there are some real hopes for next season.

This years Women's Varsity Basketball team had four returning starters including, Lisa Benton, Lisa Hill, DeDe Bodnar, and Kelly Charles. This gave an excellent balance in scoring. Also, promising girls, coming up from the 1981 Junior Varsity team, including, Darla Marasco, Kim Carter, Theresa Aldrich, and a transfer student Kathy Robinson, added their talents to the determined team. As the middle of the season unfolded an outstanding team was created. Coach Harlan Peet expresses his feelings about this team by saying, "It was enjoyable for me to coach this team because of their unselfishness and desire to play hard and WIN. They have a tremendous team unity."

Junior Varsity Women's Basketball

The Girl's Junior Varisty Basketball team was rebuilding this year, coming off an 18-1 league championship team last year. Returning members Amy Chaska, Lisa Vargo and Petra Swander provided the experience to help the team achieve a 13-8 overall winning record and a 2nd place finish in league, 7-3. Patty Robinson and Lisa Bebout contributed excellent hustle to the team along with newcomers Julie and Cathy Stelman who provided the board strength. Lisa Vargo and Amy Chaska, co-captains, also lead the team in scoring.

Varsity Wrestling

This year's Varsity team suffered through a "rebuilding year" due to the graduation of ten of last year's starters and a total of sixteen seniors. This squad contained only one senior so the Cougars could re-bound back to the top of the league with a lot of hard work during the off-season. The most consistent performers this year were Brent Trottier, Rick Gerard, Bobby Jenkins, Brian Graber, Chuck McGarry, Tom Sadey, Scott Kusel, and Randy Lanham, all Juniors. By sweeping four straight matches in the Saddleback Road Runner Classic, the Cougars captured the championship trophy and showed that the potential is there to capture their third South Coast League Championship in four years next year.

J.V. And Frosh/Soph Wrestling

Inexperience best describes this years J.V. team. Usually the line-up consisted of mostly first-year wrestlers, many of whom were freshmen. Individually this squad was led by Travis Mathews, Derwin Williams, Vince Anguiano, Manuel Alvarado, Brad Osborn and Troy Watson. Improvement was shown by all and this group should contribute heavily to the future wrestling teams at Capo Valley.

This years Frosh/Soph squad was composed almost entirely of first-year freshmen wrestlers. Leading the way were Tim Ige and Ed Payette, Both of whom captured tournament championship awards at the Irvine and Fountain Valley Invitationals. Other consistent winners were Bryan Brown, Sal Cassaro, Sean Nelson, David Heller, Terry Kobyski, Dallon Smith, Dave Carpenter, and Eric Duclos. This outstanding group of freshmen has the potential to be the best group of wrestlers to ever pass through Capo Valley High School.

Men's Swimming

The defending South Coast League Champions took their third place 1981 finish into a strong schedule and came out with a successful season. Team leadership was provided by two of Coach Stoddard's 4 year veteran swimmers, Kriss Dellota in freestyle and breaststroke events and Tim Kingston in freestyle and backstroke events. These two seniors directed a tenacious and spirited team that left their opponents "knowing" what hit them. The underclassmen provided great support to the teams depth leaving super hopes for Capo future squads. Leading this coup were sophomore Jim Leseth in sprint free and backstroke and freshman Kim Dellota in breaststroke and individual medley.

The Cougar Girls swimmers continued to build their reputation as one of the top teams in the Nation and in CIF history. The returning South Coast League Co-Champions and two time CIF-4A runner-ups met the challenge relying heavily on the experience of team captain Karen Thorpe in the breaststoke events. The team's spirit and enthusiasm served as that "extra swimmer" in many meets showing other teams the combined team effort. Each team members hard work lead to success while some shined bright. Michelle Amen, All-American in twelve events while swimming for Capo, again led the charge for the Cougars in the sprintfree and individual events with high honors. Capo Valley's first ever, lone CIF individual champion Shannon Orcutt continued to add her skills to the teams efforts in the breaststoke event.

Varsity Baseball

The 1982 Varsity squad boosts six returning letterman. They were joined by a strong contingent from last year's second place finishing Junior Varsity team. The team was well-balanced and pitching was one of their strong points. Sam Finch pitched a three-hitter against Irvine in the opener, and Bill Mezo was three for three at the plate as the Cougars won six to one. The "horsehiders" went all the way to maintain their fifth consecutive attempt at the CIF playoffs

The bulk of this year's Junior Varsity club was made up of sophomores. As freshmen, this group captured the South Coast League Championship. This year, under the direction of Coach Paul Bethke, they were prepared to make it two in a row. In their first outing against Irvine High School, the Cougars swept the Vaqueros in a doubleheader. A good attitude, a willingness to work hard, and ability made this group a team to watch in the future.

A new season and a new team is what the Varsity Softball team worked with this year. Several players from last year's team graduated and several did not return. This left the team with many open positions which were enthusiastically filled by new team members. First base, second base, shortstop, right field and the pitching spots were all new players. Overcoming adverse weather conditions during the pre-season, the team was still together enough to display great team spirit and talent in a fine softball season.

The Junior Varsity team also showed a bright season. Many girls from the incoming freshmen added strength in the areas of fielding, hitting, and pitching. Together with the returning players, the J.V. team were able to compete with any team in the league. Another bright spot for the J.V. team was the addition of Stan Cody, the new coach, who brings some twenty years of softball experience and the especially needed expertise in the area of pitching. The Cougar's growl was definitely sounded in this 1982 season.

The Varsity Volleyball team was coached by Steve Lavoe and was part of the toughest league in Orange County. Steve Modory was the only returning player and was named the outstanding player of the year. Rick Moomaw was an excellent middle blocker and Darren Utterback, the only starting senior, was the team leader. These players and the rest of the skilled team members led the Cougars to a good season.

Craig Bates was the Junior Varsity coach this year. He has a lot of talent and gave his team, which consisted mostly of sophomores and juniors, a lot of support. Although the J.V. team was young and inexperienced, it was a strong team and did well in competition. Next year the players will have more experience, and competing schools had better watch out!

Starting off slow, the team ended with a 11-4 overall record, placing 2nd in the South Coast League, behind top rated Laguna Beach. During pre-season, the Varsity squad traveled to the Orange County Championships and won the consolation trophy for the 5th place out of 25 teams. Under the coaching of Gary Coffey, the Varsity squad set high goals for the future volleyball seasons. The varsity seniors that will be graduating this year are, DeDe Bodnar, Janna Brower, Nancy Denicola, Debbie Slemmons, Lisa Hill and Teri DeBusk. Gymnastics

This year's Varsity Gymnastics team faced the very difficult task of trying to improve on last year's outstanding CIF runner-up title. In addition, they found themselves in a new league, adding three tough competitive schools. However, they were fortunate to have had a majority of the varsity starters returning; Jill Nelson, Shari Bujnovsky, Lauri Florentine, Staci Schannep, and Traci Strain, as well as the addition of three new freshmen, Leslie Fredericks, Jaime MacDonald, and Misty McCraw. Through a lot of hard work, the team made the season memorable.

It is always a difficult task to predict a team's performance before the season begins, especially on our Junior Varsity team which housed a new group of competitors. However, after watching the girl's performance at tryouts, Coach Debbie Allen felt that this group started at a higher level than any other J.V. team in Capo's past history. Look out for strong performances from these future varsity members; Jaye LaFontaine, Tiffany Vaughn, Susie Anderson, Katy Noel, and Kellie McFarland.

Varsity And J.V. Golf

This year's Varsity Golf team fared well in South Coast League action led by seniors Pat Bartle and Mike Vargo. Pat entered his third year of varsity competition and is one of the premier golfers in the league. Mike began his second year on the varsity level and provided the leadership and consistency needed to make the Cougars contenders for the league championship. The other performers who led the varsity are juniors Mitch Anderson and Jamie Chaska and sophomores Chris Bartle, Jeff Goossens and Larry Smith.

The Junior Varsity Golf team returned only one member from last year's league championship squad, junior Chuck Hoover. Other juniors who contributed additional talent were Ken Esau, Steve Marble, Todd McDaniel and Troy Watson. Sophomore Tom Walker and Freshmen Margret Kelt and Brett Phegley were called upon to make the Cougars a threat to capture their third Junior Varsity championship in the past four years.

Outstanding performances were seen by Mike Vollmer, Leon Tan, John Houldin, Todd Thibedeau, John Killelea, Sonny Ali, and Bill Reis. The 1981-82 Tennis season was the most successful year for the Capistrano Valley Cougars in the South Coast League. This was also the first year using the six new tennis courts. There are only three seniors graduating, so the team hopes to have a strong showing next year as well. The team went to the C.I.F. playoffs and made it to the Quarter Finals. Overall, Coach Vicki Juneman says, "I am very proud of the girls. They have excellent attitudes and great team spirit!"

HOMECOMING 1981

"The night of Homecoming will always be the most memorable and special experience ever. I went into shock when I saw my name spelled out in fireworks. Tears of joy filled my eyes when I heard my friends call out my name, and when I saw the look on my Fathers face. I always wanted to feel the special experience of being a Homecoming Queen, what girl doesn't? Thanks so much for letting me represent you and making that dream come true. I did a lot of growing up and learning during my four years at Capo. I will treasure the memories of Pep rallies, even the ones that flopped, cheering at games, and the special friends that I shared so much with.

In Memory Of

Kendall Armstrong

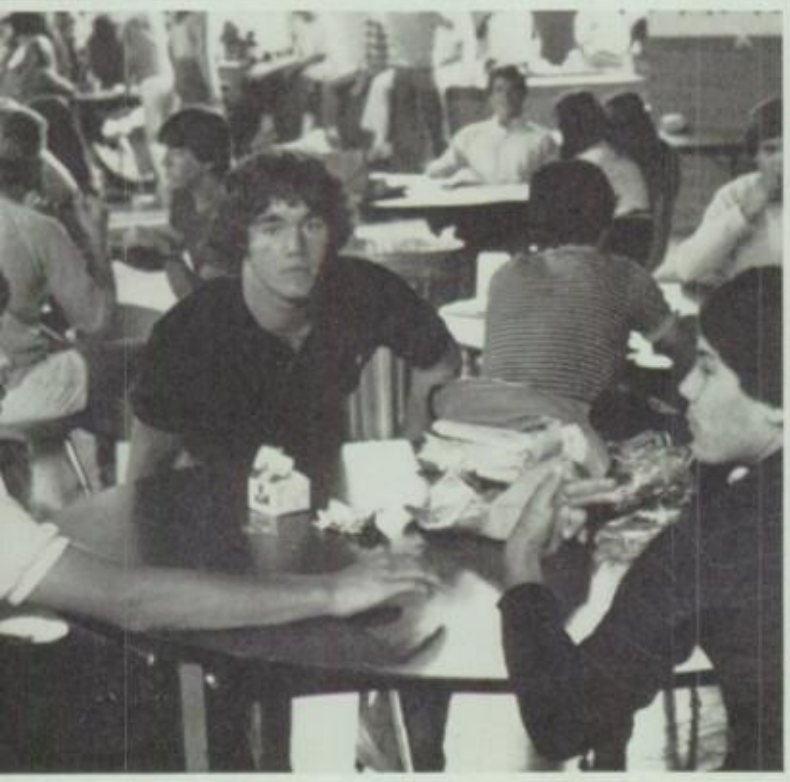
1965-1981

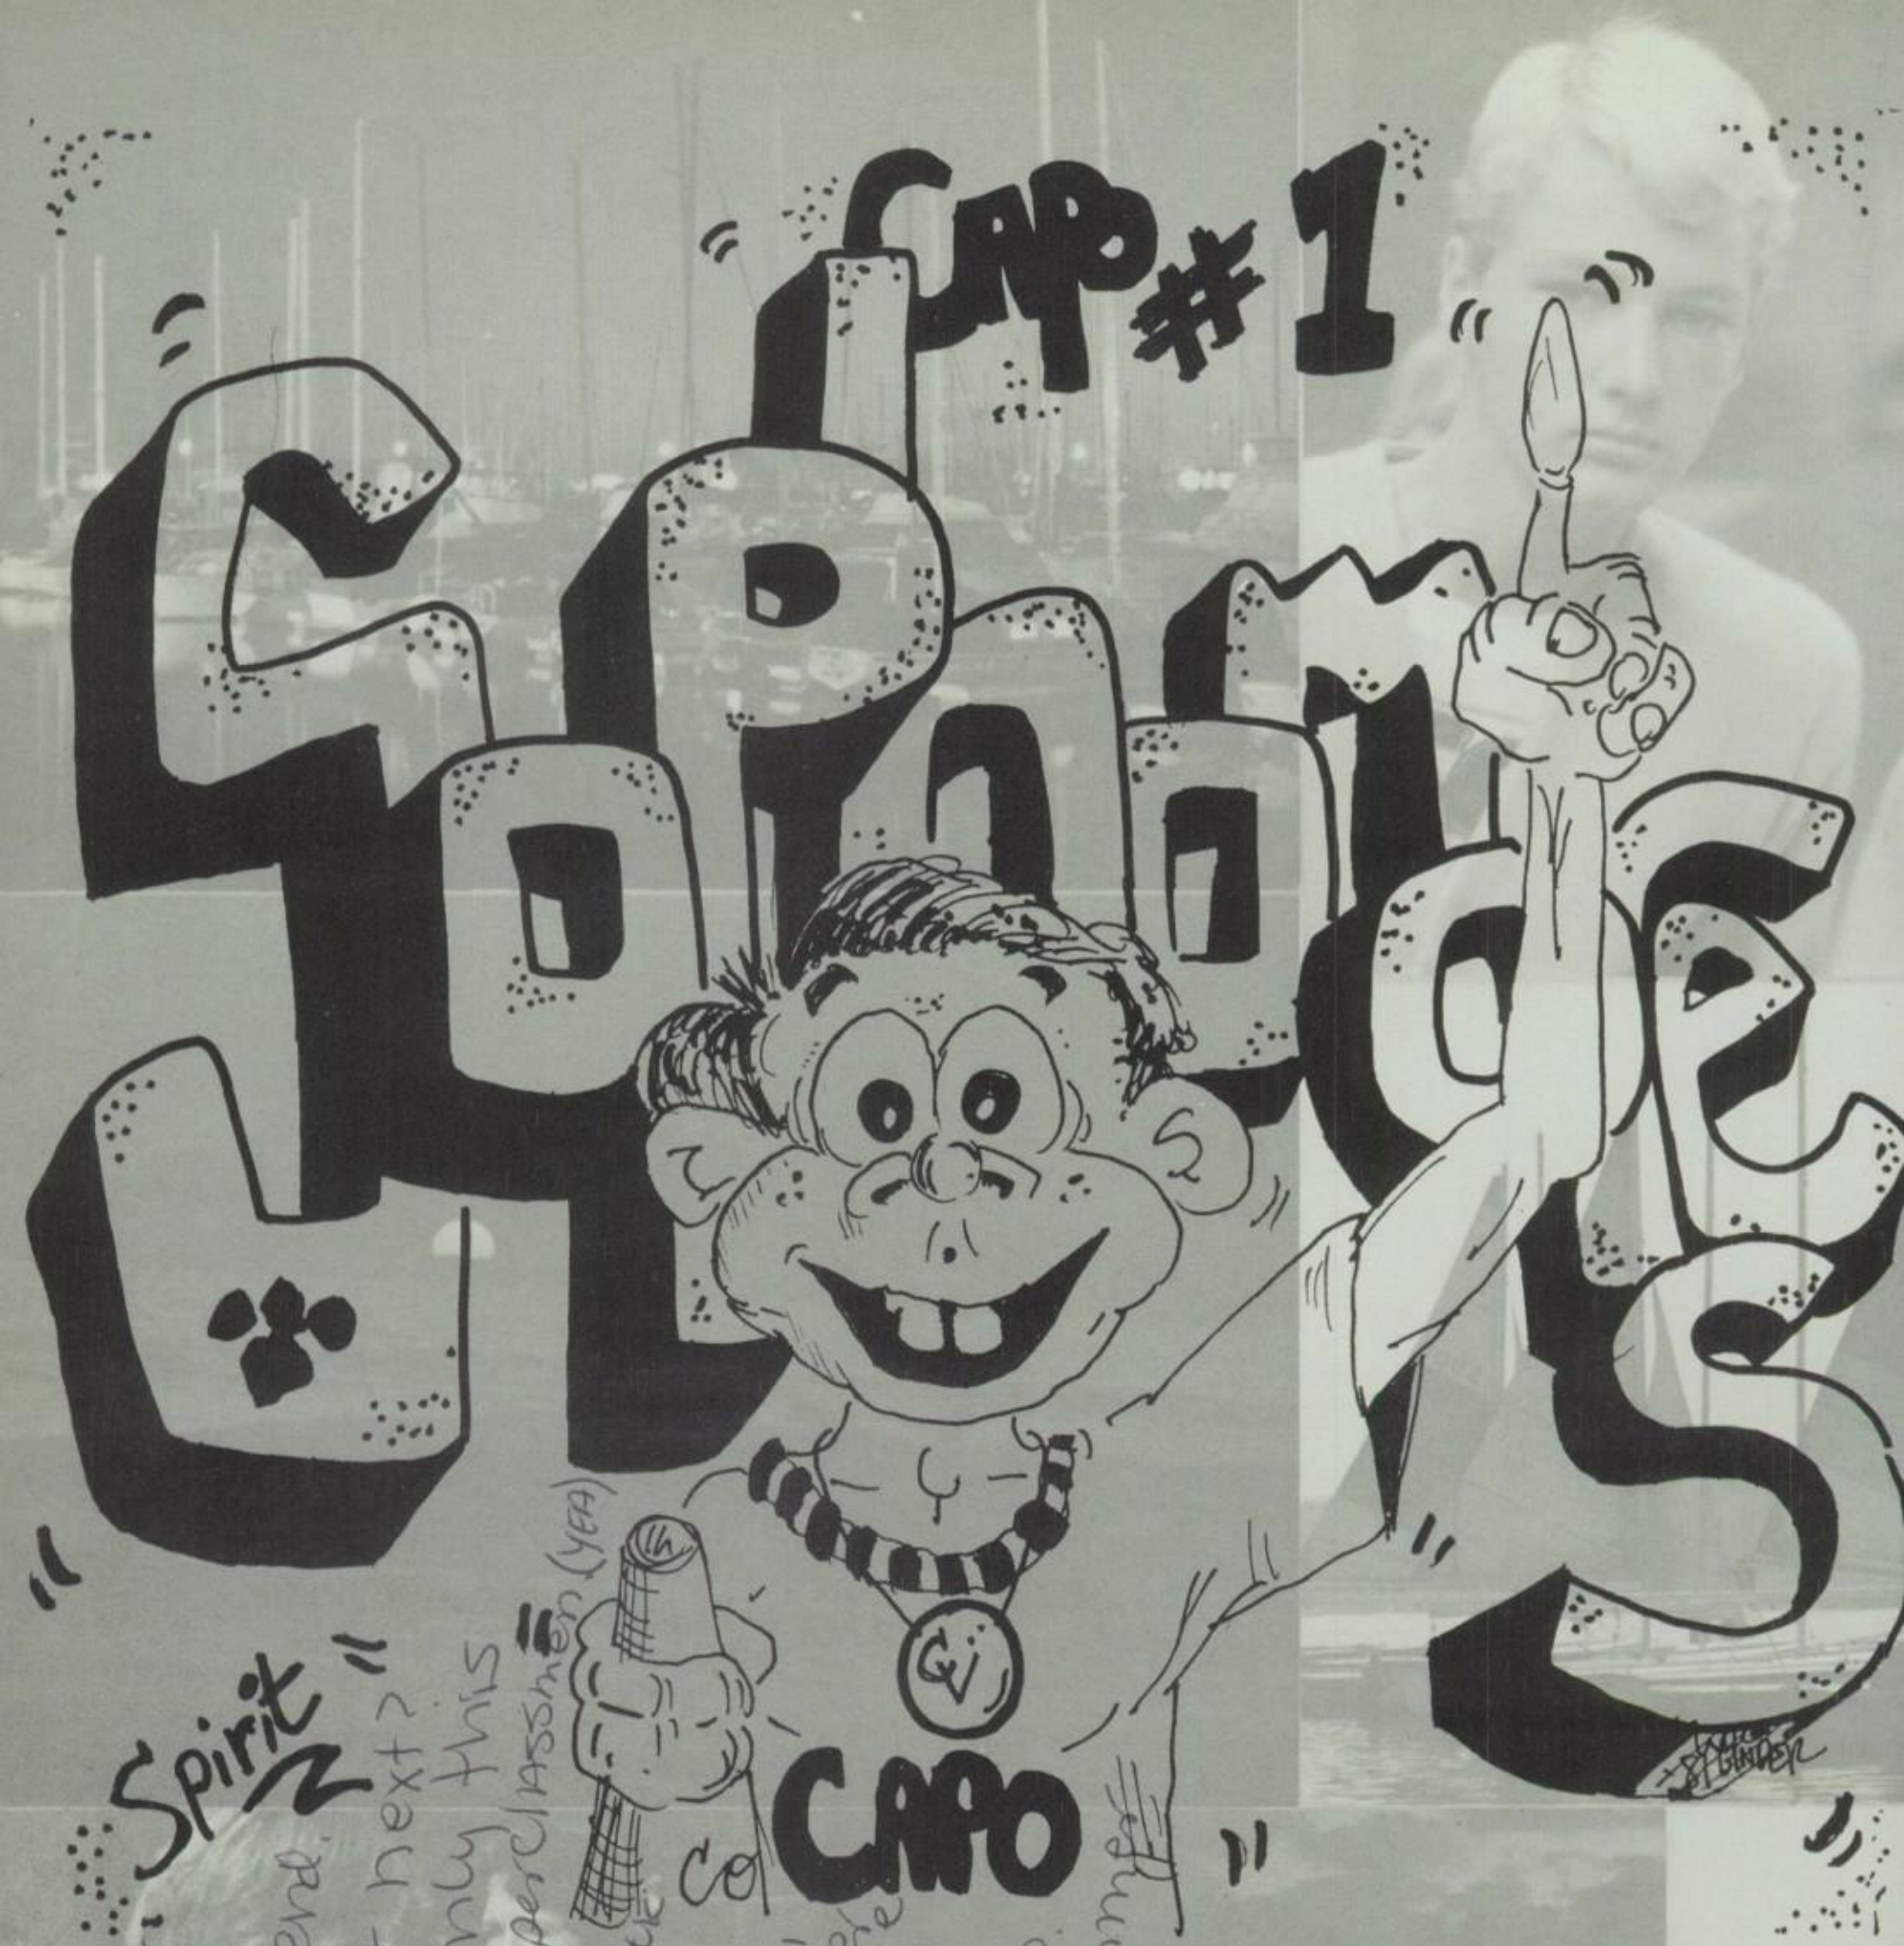
Out of a few hellos a friendship grew,
A good kind of friendship, oh so true.
Someone you could count on, or ask
for a favor,
No one quite the same will there be
ever.
A friendship held so dearly in your
heart,
With those friends it is hardest to
part.
That laugh that always seemed to
cheer one,
And all those times of harmless fun.
A memory of one you will always
treasure,
For all the smiles that gave you so
much pleasure.
Everyone cared for her so much,
All her friends hearts she did touch.
We never took the time to really
show her how much we really
care,
For we took for granted that she
would always be there.
But it is to late to tell her so,
For like everyone she had to go.
But the memories will last forever,
Because nobody can take her place;
no never.
LIZ SABA

This poem represents the feelings of many of Kendall Armstrongs friends, though only written by one, all of us can understand the meaning. And cherish our memories of her in our hearts.Kendall was someone very special. Never pushy, self centered, or selfish she won many, many, hearts. Anyone who knew Kendall, even slightly, could easily grasp the sweetness she had to offer. She was well loved, and will be missed a great deal. Though physically parted from us, she will live on in our hearts forever.

Caught in between the class and the experience found themselves in an neither hindered by nor worried by Graduation situation and enjoyed

innocence of the sophomore
of the senior class, juniors
ideal position. Being
ignorance of school routine
they took advantage of the
themselves!





Baaaak,
Be another
year finally
comes to an end.
And now, what next?
another year, only this
time we are Upperclassmen (YEA)
wed, hasn't V-thanksgiving
been just so
stimulating. well,
I'm glad you were
in my class this
year I hope you
have a next year too.
have a great summer
and try to enjoy
yourself.
Love,
Susan

P.S. Your a
pretty good
driver.

Babak,
Good luck on the English final, you'll need it. Why didn't you play soccer this year? Play next year. Thank God schools out finally, were out of this prison. Have a great summer & I'll see you next year.
Later,
Marty
Olina

Babak,
It's been a lot of fun in English this year, huh? I've really enjoyed getting to know you this year — you're a real nice guy. I hope you have a wonderful vacation & see you next year!!
Love,
Elizabeth

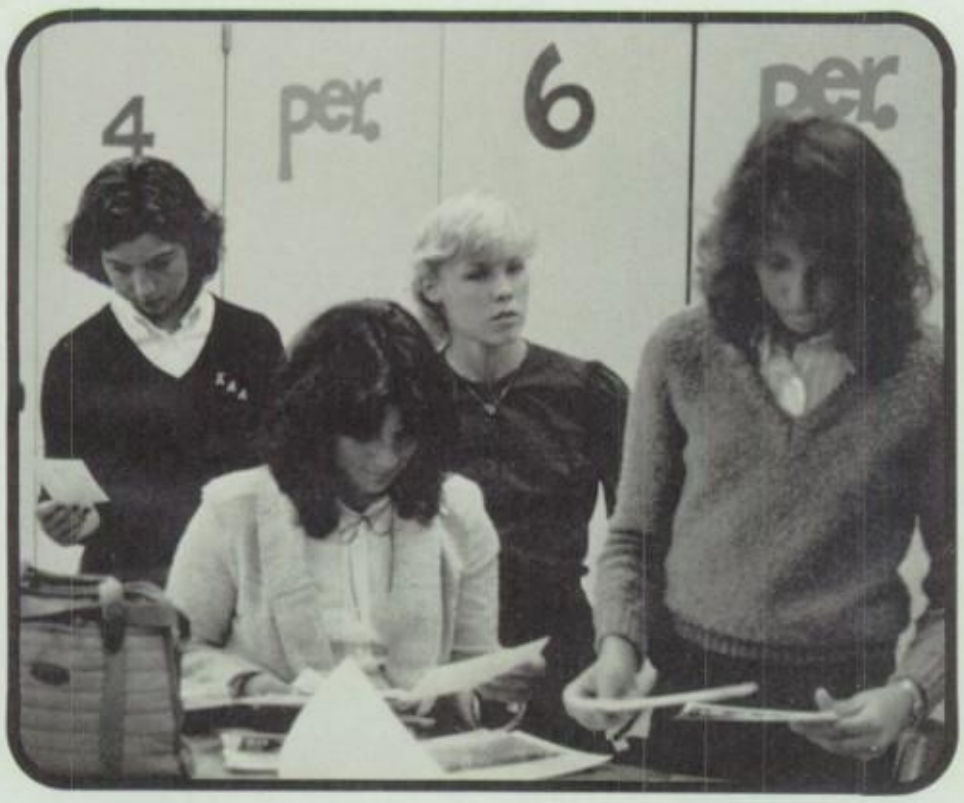
Debbi Lipnick taking a break AGAIN!

Scott Fosdick expresses his most common look of bewilderment as fellow El Gato workers press on to meet another deadline.

Robin Scirica and Tanya Velardes hard at work designing special segments.

El Gato's workers "Paw" through the pages

When people look back to their high school years, it's an advantage to have a single source to refer to that offers a wide range of nostalgia for them. Pictures ... activities ... clubs ... names ... teachers ... all the things that make up high school memories. When we make a yearbook, we have to offer that kind of a source, one that reflects as many images as possible. When we set out to put together a yearbook, we are aware of these things. Some books are simply "adequate," others "good", still others "better". We think that this year's book has succeeded in being one that **is** "better": we hope you agree.



Reflections . . .

We've survived four years at Capo Valley High - through the good times as graduation nears and even the trauma of closed campus. However, none of this has stopped us! We've grown up a great deal since we were those innocent, annoying freshmen that were always lost and asking questions. These four years have prepared us to face the world with open minds. We are anxious to begin new things - jobs, college, and moving out on our own. It's only natural that we should strive for success, money, and security, but hopefully along the way we can contribute what we have and make the world a better place. Congratulations seniors - we've made it!!! May success and happiness fill your lives.

I'd like to thank the entire yearbook staff for their help and support. Thanks to Darla Marasco and Scott Krause for their creative verbage; Robin Scirica and Tanya Velardes for their original designs in special sections; and Alfredo and Manny Alvarado who always came through with some great pictures. Also a special thanks to Will Binder for his excellent art work throughout the book.

I'd also like to make it known that Lisa Dallendorfer, our advisor, was the driving factor in the production of this yearbook. She spent an enourmous amount of her free time coming up with designs and ideas for this book. Without her it is questionable as to whether or not the book would have been published.

Take time to work -
it is the price of success.
Take time to think -
it is the source of power.
Take time to play -
it is the secret to perpetual youth.
Take time to read -
it is the foundation of wisdom.
Take time to be friendly -
it is the road to happiness.
Take time to dream -
it is hitching a wagon to a star.
Take time to love and to be loved -
it is the privilege of the Gods.
Take time to look around -
the day is too short to be selfish.
Take time to laugh -
it is the music of the soul.

Bobak,

Hey! It was quite fun in algebra II and especially English, wasn't it? You know what? It was a real fact that we were in accelerated English class!

I am so glad I had Algebra II together this year. I endure a couple of years of classes right before A.P.'s are going to have all our best and brightest. So I'm glad I'm with you and your friends. Have a great summer. Love, Karii

Babak,
We're finally the hell out of French! Thank for all the "help" on the amscos and the tests. You've been good to me. Good luck as an upperclassman & l'année prochaine.

Bob, Isn't it quite the blessing (in disguise, of course) that we have such brilliant educators like Barb + Bek Potter! I don't know how I could have lived happily not knowing Barb not told me how lucky I was. Actually bet on it.

Happy Trails—
Scott "soon to be rich + famous"

Thanks
